## INTRODUCTION

This Title VI Implementation Plan is a part of Perry County's continual and ongoing effort to proactively meet and exceed the minimum compliance requirements established under Title VI of the Civil Rights Act of 1964 (Title VI), 49 CFR § 26, and the related anti-discrimination statutes and regulations. With this Implementation Plan, Perry County seeks to provide continued transparency, clarity and technical guidance for internal and external constituents regarding its Title VI program.

This Title VI Implementation Plan has been implemented and adopted by the Perry County Board of Commissioners and is effective for the 2023 plan year. This plan will be renewed annually.

## TITLE VI NONDISCRIMINATION NOTICE & POLICY

Perry County values each individual's civil rights and intends to provide equal opportunity and equitable service for the citizens of Perry County. As a recipient of federal funds, Perry County will conform to Title VI and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination on the grounds of race, color, age, sex, sexual orientation, gender identity, disability, national origin, religion, income status, or limited English proficiency. Perry County further assures every effort will be made to ensure nondiscrimination in all its programs and activities, regardless of whether those programs and activities are federally funded.

It is the policy of Perry County to comply with Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act of 1964, 42 U.S.C., § 2000e; Age Discrimination Act of 1975, 42 U.S.C. §§ 4601-4655; 1973 Federal Aid Highway Act, 23 U.S.C. §324; Title IX of the Education Amendments of 1972, Pub. L. No. 92-318, 86 Stat. 235; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §§ 701 *et seq*; Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28; Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*; Title VIII of the Civil Rights Act 1968, 42 U.S.C. §§ 3601-3631; Exec. Order No. 12898, 59 Fed. Reg. 7629 (1994) (Federal Actions to Address Environmental Justice in Minority Populations and Low-income Populations); and Exec. Order No. 13166, 65 Fed. Reg. 50121 (2000) (Improving Access to Services for Persons with Limited English Proficiency).

The Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28, broadened the scope of Title VI coverage by expanding the definition of terms "programs or activities" to include all programs or activities of federal-aid recipients, subrecipients and contractors/consultants, regardless of whether such programs and activities are federally assisted.

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112, 87 Stat. 355, Perry County hereby gives assurance that no qualified disabled person shall, solely by reason of disability, be excluded from participation in, be denied benefits of or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives benefits from this federal financial assistance.

Perry County also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations in compliance with the requirements of Environmental Justice (EJ) regulations. In addition, Perry County will take reasonable steps to provide meaningful access to services for persons with limited English proficiency (LEP). Perry County will, where necessary and appropriate, revise, update and incorporate nondiscrimination requirements into appropriate manuals, directives and regulations.

Whenever Perry County distributes federal-aid funds to a second-tier subrecipient, Perry County will include Title VI language in all written agreements.

The following individual has been identified as Perry County's Title VI Coordinator and is responsible for initiating and monitoring Title VI activities, preparing reports and performing other responsibilities, as required by 23 C.F.R. § 200 and 49 C.F.R. § 21.

### Grievance Procedure

Title VI and the ADA require public entities to adopt and publish grievance procedures to assure prompt and equitable resolution of any grievance regarding discrimination. The purpose of this grievance procedure is to resolve as promptly as possible any problems, grievances or conflicts related to the County's compliance without the need for the grievant to resort to other remedies available under the law.

The investigation may include meeting or speaking with the grievant and any other person(s) the investigator believes to have relevant knowledge concerning the grievance to discuss possible resolutions if applicable.

If Perry County does not have sufficient jurisdiction to investigate the grievance, the ADA & Title VI Coordinator will refer the grievant to the appropriate local, state or federal agency holding such jurisdiction. In such cases the ADA & Title VI Coordinator will notify the grievant in writing that the grievance is outside the County's jurisdiction and where it has been referred for further handling.

The appeal request must be submitted in writing to the ADA & Title VI Coordinator, and it must state the reason(s) for the appeal request.

Within 30 calendar days after receipt of the appeal request, the ADA & Title VI Coordinator will meet with the Perry County Commissioners to form a special appeal committee which shall have the authority to negotiate a settlement on behalf of the County.

After formed, the committee will meet within 30 calendar days and make a determination. The grievant will then be notified in writing of the determination. If the grievant is not satisfied with the results of the appeal, the grievant may file a grievance with the appropriate agency of the State or Federal government. The U.S. Department of Justice Civil Rights Division may be contacted at (888) 736-5551.

Using the Perry County Grievance Procedure is not a prerequisite to pursuing assistance from other agencies. However, in the interest of a prompt resolution of the grievance, Perry County strongly encourages using this procedure before any of the other available alternatives.

Perry County will keep all grievances and appeals for a minimum of three (3) years.

## ENVIRONMENTAL JUSTICE

Executive Order 12898 - Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations directs each federal agency to administer and implement its programs, policies and activities so as to identify and address disproportionately high and adverse human health or environmental effects on minority and low-income populations. Environmental Justice (EJ) is a component of Title VI which includes three fundamental principles:

- To avoid, minimize, or mitigate disproportionately high and/or adverse human health or environmental effects, including social and economic, on minority populations and low-income populations;
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority and low-income populations.

Perry County will observe these three principals in all work that the County performs.

## LIMITED ENGLISH PROFICIENCY (LEP) POLICY

Executive Order 13166 - Improving Access to Services for Persons with Limited English Proficiency requires Federal agencies to examine the services they provide, identify any need for services to those with limited English proficiency (LEP), and develop and implement a system to provide those services so LEP persons can have meaningful access to them. The Executive Order also requires that the Federal agencies work to ensure that recipients of Federal financial assistance provide meaningful access to their LEP applicants and beneficiaries.

**Commented [TK1]:** This required section has been expanded (below).

EO 13166 (2000) requires fed agencies & subrecipients to develop & implement a system so that LEP persons have meaningful access to services.

In accordance with the Executive Order, the U.S. Department of Transportation (DOT) issued Policy Guidance Concerning Recipient's Responsibilities to Limited English Proficient (LEP) Persons. This guidance outlines four factors that Perry County will use to assess the LEP populations and decide what reasonable steps should be taken to ensure meaningful access for LEP persons:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by the County.
2. The frequency with which LEP individuals come in contact with County programs, activities or services.
3. The nature and importance of services provided by the County to the LEP population.
4. The resources available to the County and costs to provide LEP assistance.

**Commented [TK2]:** The DOT outlined these 4 factors to use to access LEP population and decide what steps (if any) need taken.

**Factor 1: The number or proportion of LEP persons eligible to be served or likely to be encountered by the County.**

Demographic information for Perry County ([Appendix C](#)) is collected and analyzed on an annual basis. At the time of this report, there is limited data available from the 2020 Decennial Census regarding LEP individuals. LEP Census data from the 2019 American Community Survey shows that 99.6% of the adults age 18 years of age and older speak only English, and of the remaining 0.4%, the majority speak Spanish. The probability that Perry County Departments and staff will encounter citizens who are unable to access the county's services due to a language barrier is very low.

**Commented [TK3]:** Appendix C shows demographics from 2010 Census and 2015 American Community Survey data.

99.8% of county's population age 5+ speak English.

**Factor 2: The frequency with which LEP individuals come in contact with County programs, activities or services.**

Perry County Departments and staff have been instructed to document all encounters with LEP persons, including phone inquiries and/or office visits which will be kept on a LEP Encounter Log Form ([Appendix C](#)) provided to them by the Title VI Coordinator. At this time, no reports have been made.

**Commented [TK4]:** Low probability that county employees will come in contact with LEP persons.

Departments will be asked to document encounters with LEP persons.

**Factor 3: The nature and importance of services provided by the County to the LEP population.**

Since the overwhelming majority of Perry County's population speak English, it is unlikely that there is a need to engage in any type of outreach to LEP individuals. Encounters with LEP individuals will be monitored, and Perry County will assist the LEP population if the need should arise that translation services or translation of documents are needed or requested.

**Commented [TK5]:** Unlikely that there's a need to provide LEP services at this time.

**Factor 4: The resources available to the County and costs to provide LEP assistance.**

Perry County will explore available resources that could be used for providing LEP assistance as well as identify documents that would be most valuable to be translated if needed. Local citizens will likely be available to provide translation for some languages such as Spanish. Translation for other languages may require an interpreter service for which the County would pay a fee.

**Commented [TK6]:** LEP resources and translation methods & services will be explored.

## SUMMARY OF LEP POLICY

Although there is a very low percentage of LEP individuals in Perry County, reasonable steps will be taken to provide the opportunity for meaningful access to LEP persons who have difficulty communicating in English. Perry County will weigh the costs and benefits of translating documents and will explore available resources including local interpreters. All Perry County Departments have “I Speak” Cards (**Appendix D**) to assist in identifying the language interpretation needed. Demographics will continue to be monitored and updates to this LEP Policy will be made as required.

**Commented [TK7]:** Depts will be provided with I Speak Cards (will be inserted in the 3 blank pages in Appendix D).

Cards contain statements in different languages for LEP persons to indicate what language they speak.

## EMPLOYER/EMPLOYEE DISSEMINATION & TRAINING

All Perry County employees and newly-hired employees receive nondiscrimination information and sign an acknowledgement form (**Appendix E**) indicating they have reviewed and will abide by Perry County’s Title VI Nondiscrimination Policy. All signed forms are kept on file by the Title VI Coordinator. Ongoing training and education opportunities will continue to be provided to employees as they become available or as needed or requested.

**Commented [TK8]:** Staff must be trained to demonstrate that Title VI has been integrated into the agency.

A training presentation will be implemented this year to all employees.

They will sign an acknowledgement (Appendix E).

The Title VI Coordinator will meet periodically with Department Heads to collect any documented reports and log forms, and to share and discuss compliance goals and important information and resources. Department Heads will disseminate information to their staff and ensure that nondiscrimination is periodically a topic of discussion.

## DATA COLLECTION & ANALYSIS

Pursuant to 23 CFR 200.9(b) (4), Perry County shall collect and analyze statistical information regarding demographics to assist in monitoring and ensuring nondiscrimination in all of its programs and activities. In addition to analyzing Census data, a voluntary Title VI Public Involvement Survey (**Appendix F**) is made available at all public hearings and meetings held at the Courthouse. The survey allows respondents to remain anonymous and asks questions regarding their gender, ethnicity, race, age, income, and if they are disabled. A locked drop box is located just outside the meeting room door for respondents to deposit their surveys. Completed surveys will be analyzed periodically and retained by the Title VI Coordinator for three (3) years.

**Commented [TK9]:** Federal Highway Administration (FHWA) Code of Fed Regulations requires this.

This year we will begin implementing/announcing that the voluntary survey (Appendix F) is available at all public meetings & events.

## COMMUNITY INVOLVEMENT & OUTREACH

Perry County is committed to ensuring that community involvement and outreach are done in a respectable manner that will allow for diverse involvement. Public meetings provide opportunities for input and comments on the County’s nondiscrimination plans and the programs, activities and services that the County offers. Public meetings are published on the

**Commented [TK10]:** Public must have a means to provide input.

Public meetings provide opportunities for public input (Miscellaneous section on Agenda).

County's website [www.perrycounty.in.gov](http://www.perrycounty.in.gov), and meeting announcements and agendas are sent to the local newspaper and other media outlets. All meetings are held in accessible locations. Meeting minutes and other various news and events are also published on the County website.

## DISSEMINATION OF TITLE VI INFORMATION

Title VI information with the Title VI Coordinator's name and contact information is displayed in all Perry County buildings and in locations where public meetings are held. A nondiscrimination statement is also published annually in the local newspaper. Perry County's Title VI Implementation Plan and Policy is published on the County website [www.perrycounty.in.gov](http://www.perrycounty.in.gov). Individuals with limited English proficiency may obtain a translated copy of the plan upon request. Any questions or comments regarding Perry County's Title VI Implementation Plan and Nondiscrimination Policy should be directed to the Title VI Coordinator.

**Commented [TK11]:** Nondiscrimination Notice/Policy will be displayed in all county bldgs & on website.

Statement will be published annually in newspaper.

Implementation Plan will be published on website.

## SUBRECIPIENT REVIEW PROCEDURES

All contractors, subcontractors, vendors and consultants who receive payments from Perry County where funding originates from any Federal assistance programs are subject to the provisions of Title VI. Perry County will include Title VI language, as per the Standard U.S. DOT Title VI Assurances, as relevant and appropriate, in written agreements and bid notices. Written agreements relevant to Title VI shall not contain any form of discrimination, either written or implied.

**Commented [TK12]:** I'm assuming this applies to Transportation projects only, but will look more into this over this year.
